Dear Mr. Helms:

We are enclosing a brochure describing the 1974-75 Stanford Sloan Program which we hope you will consider in connection with your executive training program.

The Stanford University Sloan Program is one of the few Programs which offers exceptional young executives a chance to develop to their full management potential. Again, we are also aggressively seeking the enrollment of qualified women and minority executives.

We extend to your organization an invitation to nominate an outstanding young executive for participation in the 1974-75 session. If you have any questions, or if we can be of assistance to you in your selection process, please call on us.

Sincerely,
